

US Virgin Islands 7 Day Sample Itinerary

Welcome to the U.S. Virgin Islands. During your 7 day charter you will experience all the flavors, scents and lore of the past and present-but without marauding pirates! As you peruse this sample itinerary, it is simply that, a sample. You are in charge, calling the shots and making or changing the plans as the mood strikes you!

Day 1 :

You will arrive in St. Thomas, greeted by a crew member to whisk you away to Crown Bay Marina and your waiting yacht. Enjoy lunch alfresco as we cruise Charlotte Amalie Harbor. At your desire, we will drop the anchor, launch the tender for you to explore or shop all the island has to offer. We can anchor for the night or return to the marina, the choice is yours.

Day 2 :

How about a water sports day? After breakfast we can depart for Megan's Bay, St. Thomas. Located on the north shore of the island, protected by land on three sides, it boasts one of the favorite beaches on the island! Snorkel, ski, windsurf, people watch or explore-Megan's Bay is pretty as a postcard; warm, sexy and inviting!

Day 3 :

A short two hour cruise brings us to bustling Cruz Bay, St. John. Cruz Bay is the heart of this island covered with tropical rain forests and national parks. Lunch in any of the pretty sea-side cantinas promised to be delightful, followed by a walk to Mongoose Junction's exotic shopping haven. Afterwards, we return to the yacht for a quick cruise to Caneel Bay.

Day 4 :

Awake beside one of the island's prettiest beaches for a morning swim. After breakfast, discover St. John the best way, by jeep. You may choose to go it on your own, or a crew member will be happy to guide you. Return to the yacht for a sunset cruise to beautiful Francis Bay.

Day 5 :

A perfect day for a Blue Water cruise! Today we will cruise to the largest of the Virgin Islands, St. Croix. Four hours to the south lays the part of Christiansted. A walking tour of this town filled with Danish architecture is interesting and fun with your crewman along to indicate the best points of interest. Return to the yacht for a lovely sunset cruise to Green Cay Marina.

Day 6 :

We will take a quick 30 minute cruise to Buck Island with its shimmering blue water and spectacular coral reefs. The island boasts exceptional wildlife above and below the sea. For the evening we will take a short ride back to the St. Croix Yacht Club at Teague Bay. Dinner and cocktails on the aft deck are a must as the moon and stars watch you dance the night away!

Day 7 :

Enjoy the morning on the beach, just thirty feet from your yacht. We have made no plans for this morning, as an opportunity for you to explore this beautiful island. Afternoon will find us departing for a leisurely cruise back to St. Thomas. We make landfall under cover of night, stars twinkling above and the beauty of Charlotte Amalie aglow in the moonlight. Cruising into this harbor of lights is a fitting end to your sparkling week on charter!
